Subject: Application letter for teaching job in school

Respected Sir,

I am writing this letter to show my interest to serve your school as a Maths Teacher. I recently saw your advertisement in newspaper and found that your job requirements suit my skills and eligibility.

I have done my master in Maths from Delhi University, I have an experience of 2 years in teaching in a private institution. I have all the capabilities to work harder in any kind of environment and I tend to do my best in this field.

It would my privilege if I get selected here. I have attached my resume, I hope that my application would be considered. I look forward to hearing from you soon.

Thanking you in anticipation.

Your Sincerely,
Ayesha Chadda
